

### **REMARKS**

The Examiner is thanked for the indication of allowability of claims 8-11 and the allowance of claims 12-16 and 18-26. In response to the objection of claim 17 for improper dependency, claim 17 has been amended to depend from claim 16. In response to the rejection of claims 1-12 under 35 U.S.C. § 112 for indefiniteness, claims 1, 12 and 14 have been amended to clarify that claims 1-14 are drawn to the assembly only. Claim 12 has also been amended to correct a grammatical error. In response to the rejections of claims 1-7 under 35 U.S.C. § 102 as anticipated by either the Kehren or Maloch patents, claim 1 has been amended to include a distinguishing feature from allowable claims 8 and 10, which necessitated amendments to claims 8 and 10. Accordingly, it is believed that claims 1-26 are in condition for allowance. The Applicant respectfully requests the Examiner withdraw the objection and rejections and allow the pending claims.

Respectfully submitted,

Kenneth M. Bush  
Reg. No. 40,544  
Attorney for Applicant
